3 Tips for Teachers.

1. Connect with Students
2. Use a variety of teaching strategies.
3. Include images of different people and their cultures.

Social Emotional Learning (SEL)

- SEL is the process which all young people and adults acquire and apply the knowledge, skills, and attitudes to develop healthy identities, manage emotions and achieve personal and collective goals, feel and show empathy for others, establish and maintain supportive relationships, and make responsible and caring decisions (Frye et.al., 2022).

Comprehensive School Counseling Program

- SMART goals
- S- specific
- M- measurable
- A- achievable
- R- relevant
- T- timebound

• Pretest data is pre-assessments that are measured test scores (Vernon et al., 2019).

2 components offered

1. Academic Support
2. Career Goals

Roles of teachers in the transition program

- Teachers can be very encouraging to students by talking about the future and careers.
- Offering student support.
- Academic Tutoring.

Parent Involvement

- Parents who are involved can help ease their children's minds. They can assist with FASFA and provide guidance for their child throughout their post secondary decisions.

Community Leaders Involvement

- Those within the community who are willing to sponsor students can impact the town as a whole as they offer their support to local students. Community Leaders lead by example and can motivate students to always do their very best to succeed.
