Hey Mr. Davis,

I hope you are doing well. I'm reaching out to you on behalf of Trevor. He wants to do better in your class. He told me that he has a hard time keeping up when he takes notes. Together we were brainstorming and I wanted to ask if you would be able to provide him with a copy of your notes whether you print it or email him. This way he would have something to fall back on when it comes time to work on assignments independently.

Thanks for any help,
Ms. Arnold
