Good morning,

I would happily do your Safe From Harm Training on Monday, November 4, 2024. What time would be best?

I also need to be able to process Mrs. Hannah Blackley's information, but she did not fill out the application all the way. We need her to fill out:

New Employee Hire/Change Sheet

Background Check

Thank you for all that you do!

Ms. Hughes,

Thank you for your reply. I will speak with Ms. Blackley about those forms.

Let's aim for Monday, November 4th at 3:45 for our training. How long should I tell teachers to expect the training to last?

Charlotte

Good morning,

Did I miss you yesterday? I wanted to make sure because Mr. Hughes said you were going to reach out to me to finalize plans. Today, I will be free from 11:45-12:10, 1:00-1:30, and 3:40-5. You can text my cell first and then call, or call the school and let them know I am expecting you.

Ms. Hughes,

Here is the paperwork you requested for Ms. Blackley. She is getting a check for her direct deposit and I will send that form later once she gives it to me.
Also, I was wondering if you could order 2 copies of this book for me for our Math tutoring lessons? It's called Strategies to Achieve Mathematics Success by Curriculum Associates. Below. is a screenshot of my Amazon cart.
