Good afternoon Dr. Lassiter,

Just to clarify, am I correct in understanding that my duty calling parents for Central and HGS will begin this Wednesday? I would like to make sure I can view the way Powerschool is set up for multi schools before I do that the first time. Also, if there is something I need to know about running the phones up front and the radio I'd like to walk through that hands-on first.

Ms. Rivenbark and I discussed a bit this afternoon but I just want to make sure I'm on the same page, as I am processing a lot of new procedures right now.

Thank you so much,

Charlotte Ludolph

I will be with you on Wednesday for the entire time.

We will do it together before I turn you loose.

Perfect, I thought you may have said that but a lot has been going on so just making sure.

Great first day! Can't wait for tomorrow!

No problem. You are more than welcome to shadow me for a bit tomorrow too.

And BTW...I think you are adjusting well to HGS and building relationships the right way. It is clear you are already adding value to our school and as your reputation strengthens, so will your influence.
